

## CPR REVIEW at APRIL MEETING

### Mark Your Calendars!!

Many of us had CPR/AED training years ago. Every time we recertified there were changes. The Wheelers have an opportunity to get a 30/40 minute overview of current procedures from an expert instructor at our Club's General Meeting April 13th. John Little retired from the LA Fire Department in 2011 - a 39-year career, much of which was in emergency response, paramedic and investigation. His passion and expertise led him to become an instructor at Saddleback Hospital and Hoag Hospital. Also, he has volunteered his time and efforts to give basic instruction to Saddleback Church and other community organizations. Several RV Wheelers heard a recent presentation and thought this was good information for us as a group. John's delivery is informal, factual and entertaining. ~ Doug & Lorrie Gibson

# MEMBERS ON THE MOVE .....

Three rigs left Laguna Woods and one left from Banning Friday on March 9<sup>th</sup>. Our first stop was Winterhaven CA which was our one night stop over to break up the ride to Tucson AZ. We all went to dinner at Prison Break Brewery in downtown Yuma where to our surprise a street festival with music and all types of vendors was happening.

Next stop Kartchner Caverns State Park in Tucson. We all went to Vigilante Sunday in Tombstone. We attended a fun reenactment of a western shoot out. Afterwards we walked the town among folks dressed up in old time western customs and had a BBQ lunch. On another day half of us went down into Kartchner Caverns and others hung out at the beautiful campground or went hiking. We also stuffed ourselves one night with an Italian Potluck and a lunch at Copper Brothel Brewery.

On to Apache Junction on March 16<sup>th</sup> which was around a four-hour drive from Tucson. We enjoyed a St Patrick's Day potluck, Organ Pizza, take out from the famous Little Miss Piggy BBQ, Angels and Dodgers Baseball and Happy Hours almost every night.

The Dodger game was a little wet and rainy, but the group donned their rain gear and attended the event anyway. We also did some hiking and touring of the surrounding area.

Train Simulator Operators

The scenery and wildflowers at both campgrounds were amazing and we hope more of you will join us in 2024 when we again venture to Apache Junction and Sedona AZ.
