October Meeting September Meeting

Our speaker for the RV Wheelers meeting on October 8 will be Gary Russell, an ambassador for the Ting and Direct TV project. If your manor has not yet been converted to the new system, it soon will be. This will be a chance to ask questions and become more familiar with the changes.

Our meeting on September 10 was a chance for our members to get together after our Summer hiatus and share information about their Summer travels. It was also our annual ice cream social where everyone took a bowl of ice cream and added their favorite condiments.

Save The Date

Our annual Holiday Party will be on December 10 at Clubhouse 1. Enjoy a nice dinner and socializing with your friends. It will also be our last weekly meeting at Clubhouse 1 before we move to Clubhouse 6.

Happy Birthday

A great group of RV Wheelers (20 rigs/40 people) enjoyed the beautiful weather, locale and camaraderie of Morro Bay and surrounding areas in late September. From our first evening's lantern walk across from the RV Park toward Morro Rock, to the electric boat ride on the Bay the next morning, to lunch out at the Embarcadero or further north at Moonstone Beach, everyone loved the varied activities! Some members golfed, played bean bag baseball, flew kites on the beach and gathered round the campfires in the evenings. We had a pizza and salad dinner the first night, followed by a breakfast and a lunch potluck in the clubhouse later in the week. Some went into San Luis Obispo to the Downtown Thursday night market, eating there or getting delicious deli sandwiches on High Street.

We were so glad to have welcomed so many new members and hope to see more of you at upcoming campouts and meetings. Each person helped make this rally so great!! Ron and I thank everyone for your help, camaraderie, and great ideas.

We especially thank Daniel and David for their invaluable help in planning and in organizing day to day activities. It made it easier for all of us to enjoy!!
