**How about it? Will you host a rally?
You can pick the place and plan as
much or as little as you choose.**

PRESIDENT'S MESSAGE

I hear everybody had a great time at the Pala Casino rally and that at least three of our campers came home a little richer (see story and pictures inside). Our next rally is April 24-28 at Santee Lakes which is always a fun place. Then in May, the Gibsons and Lesters will take us to a new venue, Ramona Oaks (thanks you guys for stepping up). Ed is still looking for people to volunteer to lead some of the remaining 2017 rally's as well as for 2018. If you have a favorite place you'd like to take us to, give him a call. Longer trips, trips including the weekend, whatever you want to do – we're open to your ideas.

Our membership numbers keep going up. Recently joining were Henry and Donna Szostak, Bob and Linda Hauxhurst, and Sherry Pierce, pushing our membership up to 135. Please take time to introduce yourselves to our new members and welcome them to our club! Thanks to those of you who are handing out applications and talking up our club!

By now you should all have gotten your bill from GRF for your RV lot fees, which are still \$160/year. Be sure to pay them so you don't get a violation notice. Also, please remember that when you have a vendor come to the lot to do any work on your RV, you **MUST** remain there with them the entire time they are there. Letting them in and then leaving is not allowed and you will be subject to a fine.

Hope to see you all at the April 13 meeting where we will have someone from the County Fire Authority talk about fire safety for our RVs. Don't forget about our May Blessing Bag Project; see the article inside. See you soon!

April Monthly Program Updates

The April 13 meeting will focus on how seasoned and new RV owners can keep their RVs fire safe. A member of the Orange County Fire Authority will speak on how to protect you and your RV from fire. Invite your RV'ing friends who are not members of our club as this information will be invaluable.

Reminder – Bring your pull tabs with you to the meeting. We have a long way to go if we're going to beat our 2016 total. As you are aware Ed delivers them to the Ronald MacDonald House at Loma Linda.

Reminder: SPECIAL PROJECT

As a special charity project, again this year, we are asking you to bring donations to our May 11 meeting: sometimes called Blessing Bags or Shower Ministry bags. We are requesting that you bring various toiletries in a gallon Ziploc bag which we will be donating to a local church who offers showers, haircuts and food for the homeless. The First Presbyterian Church of Garden Grove has been doing this for over two years. They supply the towels, shampoo, bath soap, etc. Those without homes are very grateful for a hot shower at least twice a week. The church will accept shampoo, conditioner, soap, razors, deodorant, toothpaste,

tooth brushes, socks and towels. Please put your donations in a gallon-sized Ziploc baggie and bring it to the **May 11** meeting. Your help in providing these items will be much appreciated. If you have a worthwhile charity you'd like us to consider, let me know.

Geeks on Tour Presentation

The PC Club will be having a presentation by Chris and Jim Guld, well known full-time RVers at their April 11 meeting. It will be held at Clubhouse 7 at 7:00 PM. The topic will be Google Photos, and they will discuss how they use this replacement for Picasa in their RV lifestyle. They will also answer questions from the audience and be available after the meeting for additional questions. Their website is at: <http://geeksontour.com/> And their blog is at: <https://geeksontour.blogspot.com/>. The meeting is free and open to all village residents.

CLUB ATTIRE

If you don't have one of our club shirts or hats yet, please be sure and call Suzanne and let her know you'd like one: [949-859-4547](tel:949-859-4547) or pick one up at one of our meetings. We encourage you to wear our club shirts to meetings and at least one day on our campouts. The shirts are \$20 and the hats are \$15 or \$18 (depending on the type). Both will be available at our meetings. As of the June meeting, Joan VanWickle has volunteered to take over this function - for which we are very grateful. We will miss Suzanne and Jim though!

Pala Rally-March 2017

Thirty-nine campers enjoyed this rally and the RV Resort at Pala Casino. The setting is a valley surrounded by lush green hills and patches of orange wildflowers. It is really a deluxe resort with shuttle service to the Casino.

The initial get-acquainted session was Happy Hour with appetizers in the Pavillion. It was the first of 4 Happy Hours. The Sullivan and Wedehase families were first-time Wheeler Rally attendees. There were continental breakfasts on Monday, Tuesday, and Wednesday. The group also had dinner together at the Pala Café on Monday evening.

There was a St. Patrick's Planned Menu Potluck Corned Beef Dinner. The Clubhouse was decorated with green tablecloths and symbols of St. Patrick. Five to the left followed. The next night we met again to play card bingo with St. Patrick-themed prizes. Each event was well attended.

Thursday, some couples chose to visit the Anza Borrego area in search of a once-in-a-lifetime wildflower bloom due to California's heavy rains this year. Others chose to visit Myrtle Creek Botanical Gardens and Nursery. It was a joy and so relaxing to visit these beautiful gardens which are located in a live oak canyon in Fallbrook. We ate lunch at Organic Café Bloom in the shade of trellised vines listening to soothing music. The gift shop had novel items to buy and the nursery plants were both beautiful and reasonable too.

Thursday found most of the group heading home. It was a pleasure and fun for Pattie & Bill Crist and Sharon Braun & Darrell Corr to plan and host this rally in this beautiful setting. Many campers said they had a very good time at the Rally. Of course, it seemed our group had exceptional luck at the Pala Casino with Frank Van Wickle, Mimi Alvarez, and Irmina Gomez being Big Winners!

LAGUNA WOODS VILLAGE BUS SERVICE - Submitted by Carol St.Hilaire (Bus Buddy)

The Laguna Woods Village Bus Service (Easy Rider) is a valuable amenity that is available to residents in our community. Riding the bus is easy, and there is no charge to take the bus. Just call **949-597-4659** and they will help you with planning and scheduling a ride. Did you know?

Every Tuesday, there is Laguna Woods bus service every hour between 10 am and 2 pm to and from Aliso Town Center. Grab lunch, shop, or watch a movie. Special bus excursions are planned to museums, shopping centers, and other locations outside of the Village. Sign up for the Village E-Newsletter, and you will receive updates on these excursions, plus many other activities happening in the Village. RV WHEELERS 3/9/17 GENERAL MEETING MINUTES

Officers present included Dee Wennerstrom, Doug Gibson, and Bruce Block. Dee called the meeting to order at 6:40pm. The Pledge of Allegiance was led by Joanie Van Wickle. March birthdays and anniversaries were recognized. Frank Van Wickle singing a funny camping related song is getting to be a regular event at our meetings. Frank, with the help of the members and song sheets led the group singing "There's a Few Things We Should Do" to the tune of "Red River Valley." A good time was had by all. Dee recognized 8 guests, some of whom joined the Club (welcome to Henry and Donna Szostak and Sherry Pierce).

Mike Epstein gave a Security Update. Mike requested member feedback on the operation of Lot A dump station. Repairs have been conducted recently, but the drain had not been working correctly. Is the drain now working? Mike met with Security Manager Tim Moy. 56 RV's are now on the waiting list for spots in Lot A or Lot B. There are now 19 second units and 14 commercial vehicles in the lots and all these will probably be removed to make room. The rules will be reviewed to see if other vehicles should be removed. A field trip is planned to spot units which should be removed from the lots.

Sharon Braun and Pattie Crist discussed the Pala Casino March RV rally. All spaces are filled. Twenty rigs should be attending. There are 16 rigs signed up for the Santee Lakes rally. The May rally will be at the Ramona Oaks RV Resort. It is a 5 day rally running from May 21 (Sunday) to May 26 (Friday) costing \$250. A flyer was contained in the March Newsletter. We need help co-hosting this rally and other rallies later in the year. Please volunteer.

Ron Zimmerman gave a report on the survey we conducted regarding future rally planning. Ron focused on the level of member participation on planning and implementing rallies. Ron presented recommendations on 3 levels of member participation for rallies. The first is what we now do, which means everything is planned and organized by the Club (Rally Master and Rally Hosts). The second is similar, but more input is provided by participating members (where, what, when, and dates). The third involves smaller rallies initiated and planned by members. Ron gave the example of a rally to visit Vista Train Museum. These mini rallies would be publicized by the Club and may only involve 5 or 6 rigs. Other survey results discussing survey findings will be presented at the April general meeting.

Doug handed out information from the Disaster Task Force listing what should be in a disaster supply kit, taking care of a pet, and storage of emergency supplies. Doug then introduced J.D. of JD's Vehicle Services to discuss the important points on our rigs to cover when getting ready for summer trips. JD suggested seeing a repair facility for a professional rig inspection. Questions on generators and water system sanitizing were answered. He stressed how there is a great variation in the design of RVs. Mike Epstein summarized the checks required on rig electrical systems, batteries, water system, and wheels/tires.

Dee mentioned that the PC Club is having a workshop covering electronics on the road. Our next meeting will have a program discussing fire safety in RVs. In June, the Club will have a Luau. We will coordinate who brings what food to the potluck. Dee announced that Joanie Van Wickle will take over the sale of Club hats and shirts at the meetings. There were 3 winners to the 50/50 drawings.

Thanks to Roe Noonan and all her helpers for the snacks, set-up, and clean-up after the meeting.

The meeting was adjourned by 7:45pm. Respectfully submitted, Bruce Block, Secretary.

RAMONA OAKS RV RESORT

24340 Hw. 78, Ramona, CA 92065

May 21-26, 2017 (check out on Friday am)

\$250 for 5 nites

Approx. 85 miles from Laguna Woods, via the I-5 South to CA-78. A great time to enjoy some nice weather. In a beautiful setting, this is a new venue for us, but one we think you will enjoy. The park is under new management, newly renovated, and very nicely done.

No concrete pads here, wild turkeys run throughout the park and many bird species including red-headed woodpeckers and baby ducks rest here. Nestled in gently sloping foothills and just 35 miles from San Diego Zoo, Sea World & waterfront, RVers absolutely love this park populated with giant oaks, pepper trees and eucalyptus. About 20 minutes from Poway, Escondido, Lakeside, I-15 and Hwy 52 and I-8. This beautiful, 110-acre, terraced retreat is close to city life but far enough away to enjoy the tranquil beauty of the area. The nearby 22 award-winning wineries suggest the popularity of the wine-growing area. Visit the historic town of Julian, horseback ride on vineyard trails or shop for antiques in Ramona.

The resort has full hookups, free Wi-Fi, picnic tables at each site, a large pool and Jacuzzi, game room, large fire pit area available to us in the evenings, club house with dining room and kitchen for our use, a dog run, lots of walking trails, shuffleboard courts, mini golf, and bocce ball court. **Can only use propane fire pits.** Or just sit and do nothing at all (novel thought) except watch the clouds float by. For those of you without an RV, there are cabins for rent. If interested in the **cabins** you must contact the park directly and make those reservations (760-788-3085) and tell them you are with the RV Wheelers to get your discount. No pets are allowed in the cabins.

We have reserved 14 sites, so if you are interested, please indicate on the form below and send to Ed. **Full payment will be due April 20.** Package with directions and more information will be provided prior to departure.

RAMONA OAKS UPDATE

Doug and Lorrie Gibson spent Friday March 17 looking at the “new” Ramona Oaks Resort. New Management/Owner on board for about a year. They reported just a couple of things in particular they really liked.

1. Spacious Clubhouse in a reconditioned old barn, outside barbeques, picnic area, campfire ring, pool, miniature golf
2. A true catch and release little fish lake
3. Elevation about 2500'; property has a lot of big Oaks, property-owned walking trails -- we will have a big reception area, covered under the oaks for breakfasts, Happy Hour, propane fire, etc.
4. Located just 4.5 miles outside of Ramona, and only 20 min drive up to Julian
5. Met the owner of the best restaurant in town and made a reservation for Thur. night, 5pm **Outside in front will be a moving American Graffiti Classic antique car show.**
6. In that Julian is only 20 min. up the road, we are checking on what happening there in addition to apples, pies, shopping, etc.

This is the New Wine Area of California! 22 listed as “world class”!

We tried a couple of the best, and are making arrangement for a tasting presentation at camp or a possible tour and tasting at their facilities.

Val and Ann Lester have joined Doug and Lorrie as co-hosts. Since the Gibson will be out of town until April 23, the Lester's home phone is 949-380-0084.

14 sites have been selected plus one cabin (\$75/night sleeps 4 – great for two Wheelers to share).

If you only want to stay 3 or 4 nights, we can arrange that too. **The sites are nice size, separated but do vary in size and location - please get your reservation in ASAP – for a while we can add more RV sites and keep everyone together**

PS. Val and Ann will have a color brochure to hand out at the April meeting
