How about it? Will you host a rally? You can pick the place and plan as much or as little as you choose.

PRESIDENT'S MESSAGE

"WOW" what a great event the soup and salad night was. We had almost 80 people in attendance and enjoyed some very fine vittles. For those of you who didn't come, you really missed out on a great spread and some "campfire singing", so don't miss the next one. A special thanks to all those who made that night possible from those who helped to set up and clean up to those who brought all the wonderful food.

Our next camp out will be to Pala Casino hosted by Sharon and Darrell March 12-16. I understand they have 22 rigs signed up. We will look forward to their report to this new venue in our next newsletter. A week and a half later, the CDRV Club will host a rally to Emerald Desert which several of our members are going to attend; hope to hear about that one next month too. April will see us again at Santee Lakes in San Diego County. If you plan to attend, you must have your check in by March 20. Following that, it's off to another new venue in May - Ramona Oaks in Ramona. Still open for suggestions for July and August. Remember the Board does offer a stipend to camp hosts to be used as they choose. See Ed if you have questions, have suggestions, or want to volunteer.

I want to thank all of our members who have recommended our club to their friends and others they come across in the RV Lots. Four years ago at this time we only had 72 members. This year, members renewed earlier than usual and we did lose a few due to moving, selling their rigs, etc., but our membership is up to 130 now. Remember to hand out those applications! As reported at the last meeting, Suzanne and Jim Conran are making plans to move back east this summer. They have been so active in so many capacities that we will really miss them. We are looking for someone to volunteer to take over the purchase and selling of our club shirts and hats. It's not a terribly time consuming job and Suzanne will be here until June to assist. Please think about it!

If you haven't gone to our website (www.rvwheelers.com) lately, you might want to click on the "Members Only" section, use the password we've given you before, and print out a copy of our 2017 Membership Directory. That way, you can contact anyone in the club when you want. Bob Poole is to be commended for a wonderful job these past two years keeping that up.

Well, it will soon be time to send in those tax returns; can you believe we are only a breath away from April and Spring (bring on the sunshine)? Mark March 12 on your calendar so you remember to turn your clocks up too! Looking forward to all the fun things the club has planned this year. I truly hope all of you can come and enjoy the fellowship with this great group of people.

Happy trails, Dee, 949-697-0798

STEP UP AND JOIN OUR GREAT TEAM!!

“The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don’t play together, the club won’t be worth a dime.” — Babe Ruth

“My grandfather once told me that there were two kinds of people: those who do the work and those who take the credit. He told me to try to be in the first group; there was much less competition.” — Indira Gandhi

Those two quotes kind of describe how I feel about our club. We have a lot of volunteers who help with a lot of things: those who host our camp outs, arrange our programs, keep our financial and record keeping houses in order, act as liaison with our community leaders, plan our rally schedule, edit our newsletter, submit information for our newsletter, maintain our website, coordinate and provide meeting refreshments, set up and clean up our meeting room, plan our parties, make sure our club events get publicized, welcome those who come to our meetings, send cards to members under the weather, sell our shirts and hats, conduct our 50/50 drawings – well you get the idea. It takes lots of work to keep our club going.

Unfortunately many of the people who do these things have been doing them for years and years and now comes the time when they want and deserve a break. Some of our members are handling multiple jobs. **Here’s what we need right now:** 1) someone to take over the ordering and selling of our club hats and shirts by June; 2) people to spearhead two of our three special events (the June Spring Fling and the and Christmas party). If you want to know what all that entails, give me a call. 3) then for next year we need different people to coordinate our refreshments and take over making the coffee and lemonade, at our monthly meetings. **CAN YOU HELP?**

Lastly, but very importantly, we still have some rallies that need hosting this year (not to mention next year). Our membership is now up to 130 individuals; of those 130 individual members, less than 1% have no rig but enjoy the socializing. We know there are a few who continue their membership purely because they want to stay informed and they know we are their only representation with community management with regard to regulations for RVs and our lots. They don’t come to meetings or camp outs. We understand that. Of those who have rigs, fewer than half of them went on two or more rallies last year. Of those who attend rallies, many have never hosted or co-hosted a rally. Please consider hosting a rally. We are a camping club – let’s go camping!!

Well, I guess I’ve made my point. PLEASE ask what you can do to help!! And the next time you see our volunteers doing something for our club, be sure to say “Thank You”!

Program Updates

What a great start the Wheelers are having for 2017For our March 9th meeting, Frank has again offered to sing us a 'campfire' rendition, Ed will bring us up to date on this year's planned Rallies, the survey that most of you finished and sent back (Thanks) will be discussed (A BIG PAT on the backs of Ron, John and Ed for handling), Mike will have a update on the waiting list for the RV Lots, Etc, and we will have an open discussion with some of our "More Seasoned Members" on getting your Rigs ready for 2017.

FYI – IN 2015, our club filled up the San Francisco Pretzel Company Jug, with just under 10,000 pull tabs..... In 2016 we FILLED the JUG up 3 times --- 30,000. **FANTASTIC!!** As you are aware Ed delivers them to the Ronald MacDonald House at Loma Linda.

SPECIAL PROJECT

As a special charity project again this year, we are asking you to bring donations to our May 11 meeting: sometimes called Blessing Bags or Shower Ministry bags. We are requesting that you bring various toiletries in a gallon Ziploc bag which we will be donating to a local church who offers showers, haircuts and food for the homeless. The First Presbyterian Church of Garden Grove has been doing this for over two years. They supply the towels, shampoo, bath soap, etc. Those without homes are very grateful for a hot shower at least twice a week. The church will accept shampoo, conditioner, soap, razors, deodorant, toothpaste, tooth brushes, socks and towels. Please put your donations in a gallon-sized Ziploc baggie and bring it to the **May 11** meeting. Your help in providing these items will be much appreciated. If you have a worthwhile charity you'd like us to consider, let me know.

Lastly, don't forget we are still collecting pull tabs for Ronald McDonald House. We have a container at each meeting, so bring them in!! – Dee

Rv'ing Tip

Glove Up for RV Dumping By Jim Twamley in the [RV Travel Newsletter](#)

I used to empty my sewer tanks bare-handed. I didn't like wearing the traditional type dish gloves because they are too bulky and I wasn't crazy about latex gloves because they would easily tear. A few years ago I was strolling down the aisles at Harbor Freight (a tool store) when I noticed nitrile disposable gloves. Since I was building kitchen cabinets for my sister-in-law I decided to pick up a box for working with stain and varnish. These gloves are thin enough that your sense of touch is not hindered and tough enough to stand up to mild chemical exposure. I liked them so much I decided to keep a box near my sewer clean-out compartment. Now I glove up before dumping and peel off the gloves and toss them into the trash when I'm done. They are coated with powder so they are easy to slip on and off. I like the extra-large size even though I normally wear size large because putting them on is easier.

You can also use these gloves for changing oil, painting, washing, waxing and many other applications. These gloves are available at big box stores and pharmacies. **Amazon carries the gloves** at a good price.

Working with RVers hand-in-glove. —*Jim Twamley, Professor of RVing*

2/7/2017

RV WHEELERS GENERAL MEETING MINUTES – FEBRUARY 9, 2017

The annual Soup and Salad meeting was held. Officers present included: Dee Wennerstrom; Doug Gibson; Linda Huber; Ed Bauman; and Bruce Block. The meeting was called to order by Dee at 6:25pm. Dee asked Bob Batchelor to lead us in the Pledge of Allegiance. Member wedding anniversaries for February were recognized. Pat and Roe Noonan are celebrating their 50th anniversary and were cheered on by the crowd. People with February birthdays were then recognized and asked to stand and be recognized. The Noonans, all the birthday celebrants, and members who wore their blue Club shirts were asked to be first in the food line.

The Soup and Salad meal was a great success and about 80 people were fed. Food included a number of excellent soups and salads, breads and cornbreads, and a dessert table to rival some casinos. Members expressed their gratitude to all who provided the food, and to all who helped setup and clean up the clubhouse.

Dee started the formal meeting at 7:05pm. Dee mentioned there were some pictures from the December Holiday Party in the lobby. She thanked John Gee again for taking the pictures. Doug was introduced to talk about future meeting programs. Prior to the discussion, he handed out flyers from the City of Laguna Woods titled, "Where Does My Property Tax and Sales Tax Go?", and "Comprehensive Annual Financial Report." Doug then discussed future meeting program planning. A committee has been initiated to research future programs. The Board feels that we need to plan a series of interesting programs to improve meeting attendance and to provide timely information to members. Good suggestions from members will be appreciated. Doug then asked Frank Van Wickle to lead us in singing an RV related campfire song titled "The Manual is Somewhat Unclear." Using handout sheets, the crowd sang along and had a good time. After, Doug reminded us to continue saving pull-tabs to be donated to the Loma Linda Center.

Dee introduced Patricia and Neal Wedehase who are new Club members. She asked them to tell us about themselves, their background, and their interests. Next, she introduced Laurie and Mark Tate who discussed themselves including their purchase of a new RV. It was suggested we keep Wheeler membership applications in our RV's to handout to our Lot A and Lot B neighbors. Dee then said Jim and Suzanne Conran will be selling their condo and moving back East this summer. By June, we need a volunteer to take over Suzanne's job of selling Club shirts and hats at meetings. Our new 2017 Club Directory is now finished and available on our web site in the "members only section." Thanks to Bob Poole for doing such a good job on the Directory. Any corrections are to be sent to Bob Poole.

Dee introduced Ron Zimmerman who is looking into surveying members about future rallies and what to do to offer more to our members and possible future members. With help from John Huber, an on-line survey will be sent to members to get their input. The survey consists of 10 questions. It will use "Survey Monkey" to tabulate results. Ron described many of our present rallies as "one size fits all." Members may want to go greater distances, or different RV park locations. They may want to attend a rally for the entire period, or to stay for only for a few days. Individuals may want to set up a smaller rally or at different types of parks (eg. dry camping). Combining rallies/trips with other clubs or organizations (FMCA, Good Sam, etc.) would provide other options. **ALL MEMBERS ARE ASKED TO PLEASE FILL OUT THE SURVEY**, a link to the survey will be sent to everyone in an email. We need your input to provide superior camping experiences.

Wagon Master Ed Bauman discussed having smaller rallies on our schedule along with our large rallies. Some smaller rally ideas included dry camping at places like Borrego Springs and at the Vista area. Ed asked for volunteers to host some of our upcoming rallies including: Ramona Oaks (May 7-12); Oceanside Elks (July); and Chula Vista (September 16-21). Ed and Dee will host the proposed Santee Lakes rally (April 24-28). Experience is not necessary to host a rally as plenty of help and guidance are available. We need your help, please volunteer. Sharon Braun reported that our new rally site of Pala Casino (March 12-16) now has 22 rigs signed up. CDRVer Mario Citro is running the March 26-31 rally at Emerald Desert. Reservations for that rally are now closed.

Mike Epstein reported on a Security meeting with Tim Moy. Fifty people are waiting for a spot in Lots A or B. A committee is being proposed which will include some of our people and some Security people. The committee will look at the RV's, boats, 2nd vehicles, etc. presently stored in the lots and match the size of the units with the spaces. This should improve space utilization. Unkept vehicles, 2nd vehicles, and cars could be removed with the objective of freeing up space for the waiting RV's and boats. Mike reported to Tim Moy that rats are still a problem, and the sewer is still overflowing in Lot A.

We had a successful 50/50 drawing with 4 prizes given out. The meeting was adjourned before 8:00pm.

Respectfully submitted, Bruce Block, Secretary.

Need Answers to RV Problems-Here's some places to look:

[RV.net](#): A lot of forums where you can ask questions and get answers for knowable RVers. It's owned by Good Sam and has some advertising. Individual forums for different types of RVs, camping, beginners, general, technical, and full-timing. Lots of good information and they're all searchable.

[iRV2 Forum](#): This is a popular forum with a lot subsets including forums focused on manufacturers of popular products. It covers everything for the beginner to the most advanced users. It includes areas for chassis, power trains, RV systems, and lifestyles. You can subscribe to some of the forums and receive daily emails with new topics and answers.

[Escapees Discussion Forum](#): This is part of the Escapees club, but you don't have to be a member to use the forums. Again, a lot of detailed information but with a focus on full-timing. Includes topics such as internet on the road, work camping, budgets and volunteering.

I think you can find answers to any questions you have about your rig or Rving in general in these forums. If you have any additional resources, please let me know. If you want to know about RV parks in an area the best website is [RV Park Reviews](#), which is reports from rvers about the parks they are staying at, like Yelp works.

SANTEE LAKES RALLY

Mon-Fri – April 24-28, 2017
(4 nights; departing Friday) - \$170

\$85 deposit due upon registration
\$85 balance due March 20
(refunds per park policy)

ONE OF OUR FAVORITE PLACES; BOOK EARLY!

You are invited to relax at beautiful Santee Lakes, located in San Diego County in the town of Santee, approximately 80 miles from Laguna Woods. This campground is one of the premiere recreation facilities in San Diego and one of our favorites! Centrally located near all of San Diego's major attractions and nestled in the foothills just 20 minutes from San Diego, Santee Lakes uniquely combines country tranquility and city convenience. Santee Lakes Recreation Preserve sits on 190 acres and has seven lakes; rec. room for our use, playgrounds, fishing, boat rentals, biking and running trails, laundry, general store, Jacuzzi (swimming pool not heated this time of year), and FREE Wi-Fi throughout the campground.

We have reserved 15 spaces. Spaces have full hookups (30 & 50 amp) and picnic tables, **but no cable**. There are cabins available for those of you who may want to go but have no rig (they sleep up to six people). If interested in a cabin, you need to call them soon at 619/596-3141 for info or check their website at www.santeelakes.com and click on "cabins". All you need to bring are linens. Sorry, no dogs are allowed in the cabins.

NOTE: Those who wish to extend their stay to include the weekend after our stay (Friday & Saturday nights, Apr. 28 & 29) can do so at the group weekend rate of \$47/nite IF BOOKED the same time as this reservation; otherwise, it is \$52/nite.

We will provide a packet prior to departure with more information and directions for those who are going. If you have questions or ideas for activities, please call Dee at 949-697-0798.

Hosts: Ed Bauman, 378-9195

RAMONA OAKS RV RESORT

24340 Hwy. 78, Ramona, CA 92065

May 21-26, 2017 (check out on Friday am)

\$250 for 5 nites

Approx. 85 miles from Laguna Woods, via the I-5 South to CA-78. A great time to enjoy some nice weather. In a beautiful setting, this is a new venue for us, but one we think you will enjoy. The park is under new management, newly renovated, and very nicely done.

No concrete pads here, wild turkeys run throughout the park and many bird species including red-headed woodpeckers and baby ducks rest here. Nestled in gently sloping foothills and just 35 miles from San Diego Zoo, Sea World & waterfront, RVers absolutely love this park populated with giant oaks, pepper trees and eucalyptus. About 20 minutes from Poway, Escondido, Lakeside, I-15 and Hwy 52 and I-8. This beautiful, 110-acre, terraced retreat is close to city life but far enough away to enjoy the tranquil beauty of the area. The nearby 22 award-winning wineries suggest the popularity of the wine-growing area. Visit the historic town of Julian, horseback ride on vineyard trails or shop for antiques in Ramona.

The resort has full hookups, free Wi-Fi, picnic tables at each site, a large pool and Jacuzzi, game room, large fire pit area available to us in the evenings, club house with dining room and kitchen for our use, a dog run, lots of walking trails, shuffleboard courts, mini golf, and bocce ball court. Can only use propane fire pits. Or just sit and do nothing at all (novel thought) except watch the clouds float by. For those of you without an RV, there are cabins for rent. If interested in the cabins you must contact the park directly and make those reservations (760-788-3085) and tell them you are with the RV Wheelers to get your discount. No pets are allowed in the cabins.

We have reserved 10 sites, so if you are interested, please indicate on the form below and send to Ed. Payment will be due April 10.

LOOKING FOR HOST - HOW ABOUT YOU?

Remember, a couple of years ago, the Board authorized a \$100 stipend for hosts which can be used to offset your camping cost (or anything else you choose)
