

Laguna Woods Village Recreation Vehicle Owners

Welcome to RV lot A & B

In addition to the rules and regulations for the use of Lot A and B, please be aware that there is an RV Club that you are welcome to join. The following is a brief overview of the RV Wheelers activities.

- There are over 150 members.
- The club has a website that sends out newsletters and holds monthly meetings
- Stay informed on industry standards and policy changes in the village that can impact you and/or your RV.
- The club schedules camping trips to fun and interesting locations. The club organizes 8 rallies per year (sometimes more) usually with 10 to 25 rigs at a time.
- The club schedules a picnic in June and a Christmas party in December.
- The club provides a list of vendors the members use for repairs, detailing, etc.
- Annual dues are \$15 per person.

Most importantly, you will meet a group of interesting people that enjoy using their rigs as much as you do.

Our website has a wealth of information and feel free to contact us with any questions, comments or concerns.
