

Great news RV Wheelers!

We have a new Club President!

Introducing Bunny Quartararo

I'm a native Californian, born in Orange, CA, on Easter Sunday, hence the name 'Bunny'. I'm the youngest of three (two older brothers). Began swimming at age three and competing in Synchronized Swimming at the age of 7, traveling across the United States and Europe. I retired at the ripe old age of 18 and went on to perform in a professional 'swim' show in Gatlinburg Tennessee, followed by coaching my own Synchro Team in Anaheim, CA. I attended a local college and majored in Child Development and went on to begin my career as a swim instructor. In 1977, I married my childhood sweetheart. Although we had been apart for more than 15 years, I knew when I was ten that I would marry him one day. Together we raised three girls, Sarah, Katie and Charlotte. Mike's career covered cross country truck driving, computer programming and limo driver. While he pursued his many career choices I went on to spend the next 30 years at UC Irvine School of Medicine, working in Compliance and I continued to teach swimming.

Michael passed away in 2003 and I know that he is now my co-pilot. After I retired

in 2017, I knew it was time to look at the RV I had been dreaming about. In 2018 I purchased a Thor Chateau 28ft in Oklahoma and drove here to California. I believe I joined the RV Wheelers even before I had the RV in my possession! I have grown to love the Wheelers and the many campouts I have attended. I was also embraced by the WOW (Women on Wheels) and have enjoyed our many events and friendships.

I look forward to working hard as your president and sharing many more adventures with the Laguna Woods RV Wheelers. Let's get back on the road in 2021!!

MEET YOUR FELLOW RV WHEELERS

Since we can't yet meet together in person, we're continuing to highlight our awesome members! If you enjoy these stories, consider sending me yours for future issues! They will become a link on our website directory.

NEW MEMBERS

After 38 years of local sailing and cruising the Pacific coast of Mexico, the Florida Keys, the Bahamas and the East coast of the U.S. we sold our beloved Dulcinea, a 44ft cutter rigged sailboat. With Dulcinea we were able to see exotic places from the sea.

We are John and Janice Barker and are now newbies to the world of RVing. A 25ft Four Winds Class C RV is now our "Land Cruising" vessel. Our first trip was to Borrego Springs where we learned how all the water, electrical and waste hook-ups hook-up! And yes, we also enjoyed some hiking, biking and all the interesting things to see in that beautiful area.

We are both members of the Hawaiian Hearts Band where Janice plays the Cajon and John is lead vocal, guitar and ukulele player. We've performed over the last 4 years at Catalina Island, various yacht clubs, beach luaus and weddings. Any venue where Hawaiian and Beach Rock music is requested.

We hope to meet new friends and join in new adventures with the RV Wheelers!
