April's Yucaipa Rally – a great time for all!

Judging from the positive comments from the campers who attended the April rally, the RV Wheelers will return to Yucaipa again soon!! We had 18 rigs (34 campers) and after the first day of intermittent rain, we had wonderful weather in a beautiful park.

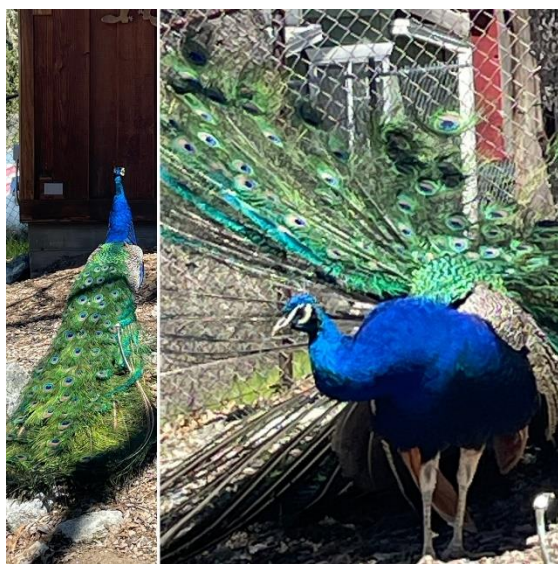

Thank you to Fitz who introduced us to the worldwide sport of Geocaching, and some of us had loads of fun searching for our first cache! Deb was the one who successfully located the cache but everyone got souvenirs for our first find!

We enjoyed biking, fishing and walking around the lakes – and some took care of some RV repairs!

Many of us took a scenic drive to nearby Oak Glen. We visited a local honey shop where we tasted (and purchased) wonderfully flavored organic honey. A few folks enjoyed lunch while others appreciated the beautiful botanic garden and meandering peacocks!

The group gathered for various games, several potlucks and campfires complete with music and singing – thank you Brad!

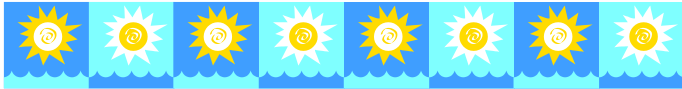

Let's go camping!!

We have sites on hold at Rice Ranch RV Park for those who might be interested in attending the 2025 RV Show in Quartzite in January. The park has new owners who've made some nice improvements. Please contact Roslyn and Ron for details at (818)620-5019.

All in all, a good time was had by all.

Sunshine...

If you have some good, or "not so good" news, or know of someone who could use a little sunshine, please let Roe Noonan know and she'll send a card and/or our positive thoughts and good wishes in our monthly newsletters!

Ron Zimmerman has offered to spearhead a club campout at the Antique Gas and Steam Engine Museum in Vista October 17-21, 2024. Some of us have attended in the past and it's quite an interesting experience. This is "Dry Camping" but they do have a water fill and a dump station adjacent to the camp ground.

They require a minimum of 10 rigs to do the camp setting. They will put our group together and sites will accommodate rigs and tow vehicles. We will have space for tables and campfires, the latter being in portable pits at least 6 inches off the ground. Total cost is \$160.00 for the 4 nights.

There is a separate entrance and exit to the camping area so we are free to come and go, and to enjoy other activities in the Vista area. By arriving on Thursday afternoon, we would arrive before some of the exhibitors, many of whom will come with their campers and equipment and will spend Friday setting up their exhibits.

Attached is a road map and a grounds map to show where the camping area is located.

Though not confirmed, the last time we went they had a great breakfast we could buy in one of the buildings on the property.
